Decision no. 18

From: The Stewards
To: CUPRA KIRO

Date: 5 July 2026
Time: 16:28

The Stewards received a report from the Race Director, heard from the Drivers and Team Representatives concerned and reviewed onboard video footage.

N° / Driver: 33 / Dan Ticktum
Competitor: CUPRA KIRO
Session: Race
Time (fact): 12:21
Fact: Car 33 left the track gaining a lasting advantage at Turn 8 at 12:21 overtaking Car 7 off track.
Offence: Breach of App. L, Ch IV, Article 2.c) of the ISC, Article 7.8 of the Drivers Briefing Notes and Article 20.3 of 2025/2026 FIA Formula E World Championship Sporting Regulations
Decision: Drop of 1 position to swap position with Car 7
Reason: The Stewards examined video evidence, GPS data, and they heard from the team representatives and drivers.

On the final lap, as the cars approached turn 11, Car 7 made a decisive move to the inside to overtake Car 33. Before reaching the turn and its apex, Car 7's front axle was already ahead of Car 33's mirror. Car 7 maintained a fair racing line throughout the maneuver and successfully completed the pass while staying within the track limits. Meanwhile, Car 33 left the track but safely rejoin in turn 12 but in front of Car 7.

Having considered the matter extensively, the Stewards determined that Car 7 had the right to the corner as he fulfilled the requirements of the driving standard guidelines, the driver of Car 33 should have surrendered the position, but he was unable to do it because the line is just after these turns. After thoroughly evaluating all the circumstances, the Stewards have decided to impose a penalty, resulting in a one-position drop for the driver of Car 33 in the final race classification.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
